MILTON HIGH SCHOOL

SCHOLARSHIP PROGRAM

2024-25

Individual

Scholarships

All Scholarships listed in this packet are available to Milton High School Seniors

DIRECTIONS FOR INDIVIDUAL APPLICATIONS

(All scholarships that follow require individual applications)

- Individual scholarship applications are scholarships that are not a part of our standard scholarship application process. Each scholarship listed in this packet has a unique application that you need to either complete and turn in to Ms. Williams in Student Services or complete and turn in online or by email directly to the sponsor.
- Please read each scholarship's criteria carefully. Some scholarships will have web links where you can apply directly online for their scholarship, and other scholarships will have paper copies of their applications that you will pick up in the Student Services Center.
- All scholarships that state they need to be turned in to the Student Services Center must be turned in at 2:00 PM on the date listed in this packet.
- Some scholarship deadlines will be different than what is listed in the application. Please make sure you are using the deadline listed in this packet. Ms. Williams mails a lot of the applications on your behalf for the entire class. There is more time needed to review and mail applications and often sponsors want applications in hand on the date of their specific application. No late applications will be accepted.
- Some scholarships may require additional materials such as essays, letters of recommendation, a photograph, etc. Make sure you read each scholarship's criteria carefully.
- Ms. Williams in Student Services can help you get copies of your transcript or other school-related materials.

Please see Ms. Williams with any questions you may have. You can find her in Student Services. Otherwise, she can be contacted in the following ways:

Email: williamsas@milton.k12.wi.us
